

## **In the Spotlight – January 2012**

### **Volunteer Crafters 2011**

Craft Items for distribution this year included the African Angels as well as bead items created by volunteers with AIDSpirit. An instructional class was given by a “beading expert” in the basics of bead work. Volunteers then created bookmarks, earrings, necklaces, key chain/ zipper pulls. These items were then presented at several craft sales in the past month. Donors were asked to make a donation to AIDSpirit and take a gift on an angel or bead work. Cards were created that described some of the work of AIDSpirit and there was a place for the donor to put the dollar amount that they donated for tax deduction purposes. Thank you to all the donors who supported AIDSpirit in this way
